

GLOBAL BALLOONING

Start your Yarra Valley day with a sunrise hot air balloon experience with an award-winning company – Global Ballooning Australia. Well known for its countryside glamour, wildlife and wine varieties, hot air balloon flights began here by Global Ballooning Australia in 1992 and have been a popular region to fly balloons ever since.

Balloons provide a 360-degree view, perfect for sightseeing wineries and countryside beauty within Yarra Valley. As the sun rises, so does your spirit – it's just a natural reaction to floating over the spectacular natural amphitheatre. Flights are generally completed by 9 am, so there is plenty of time to add some pre-work adventure to the event or conference schedule to inspire the team. Their experienced team can organise tailor-made exclusive flights for groups of any size. Baskets can hold 10, 16, and 24 passengers and can fly up to 150 people per morning with up to 10 balloons in the sky depending on the time of year. For something even more special, such as a product launch or special campaign, balloons can also be custom branded.
