

PUFFING BILLY RAILWAY

Puffing Billy Railway is Australia's premier preserved steam railway, located in the heart of the Dandenong Ranges. This century-old steam train continues to run on its original mountain track from Belgrave to Gembrook, offering traditional excursion train journeys, where passengers can enjoy the stunning scenery from our open side carriages, as well as First Class wine and dine experiences in our beautifully restored heritage dining carriages.

Along the spectacularly lush railway corridor, discover some of Melbourne's most authentic and unique function spaces. Set in the scenic surrounds of Emerald Lake Park, the new Lakeside Visitor Centre features indoor and outdoor event spaces, local food and wine, and inspiring group experiences.

Function spaces can be hired independently or combined with our steam train journeys, including private charter trains, exclusive carriages for groups, and onboard dining in enclosed heritage first-class carriages. Plus, there are diverse experiences off the rails – from paddle boating to bike hire – to reconnect and inspire your group.
