

Rayner's Orchard currently grows over 450 varieties of fruit and is around an hours drive from the CBD, located in Melbourne's food bowl, the Yarra Valley.

Some of the fruit varieties we grow include peaches, nectarines, plums, apricots, tamarillo, pomegranate, persimmon, pepino, feijoa, guava, kiwi fruit, dutch medlar, and various citrus varieties throughout winter - lemons Australian limes, grapefruit, oranges and mandarins.

Visit this working farm to discover life on the land and delight in picking your own fruit and discover the fantastic flavours of real tree-ripened fruit. Take a guided tractor fruit tasting tour with one of our team, and sample at least 8 varieties of fresh seasonal fruit. Make sure you come hungry as there is always plenty to try. Pick your own to take home if you wish, or have a drive of the Cherry picker, to get a sensational bird's eye view of the farm!

Our Signature 1-hour Tractor Fruit Tasting Tours run everyday (Closed Christmas Day) from 9am-3pm.
