

Fun, safe, but challenging team building activity = target archery. Set up as a teams competition and finishing with an 'archer of the day' prize. Sessions can be conducted at Yarra Valley Archery Park or a conference centre in the Yarra Valley or beyond. At Yarra Valley Archery Park we have both outdoor and indoor archery ranges so we have all weather capability. Our facilitators are all accredited archery coaches with a passion for the sport and with many years experience. We use high quality archery equipment that is set up for beginners so success is assured.

Yarra Valley Archery Park is centrally located in beautiful Launching Place about 65km from CBD. Indoor or outdoor archery for your group then sit down and enjoy a coffee in our beautifully maintained gardens overlooking the Donna Buang Ranges. We are also able to travel to conference centres anywhere in the Yarra Valley and beyond where we can set up an archery target range and bring this fantastic team building activity to you.
